

Harsh Kulkarni

Description

Aspiring Computer Science Professional | Web Developer | Problem Solver

A passionate and motivated 2nd-year Diploma in Computer Science student with a solid foundation in programming, web development, and database management. Proficient in Python, C++, C, HTML, CSS, JavaScript, and MySQL, with a strong understanding of OOP and RDBMS concepts. Experienced in building structured, responsive websites and web applications, with a keen interest in both frontend and backend development. Excellent problem-solving skills and a quick learner, actively seeking opportunities to apply and expand technical skills in a real-world environment. Enthusiastic about coding, chess, and team sports, with a mindset geared towards growth and continuous learning.
